

ALI ASGHAR

FRONTED DEVELOPER

ABOUT ME

My name is Ali Asghar Muhammad Rizwan, and I am currently a student at the Governor Sindh IT Initiative, specializing in Web 3.0, Metaverse, and Artificial Intelligence. With a background in Commerce and completed Matriculation, I have recently expanded my skill set by undertaking courses in HTML, CSS, and TypeScript. Throughout my studies, I have developed and delivered numerous projects, showcasing my ability to create dynamic and responsive web applications. Driven by a strong passion for technology and continuous learning, I am enthusiastic about applying my skills to innovative projects and contributing to advancements in the tech industry.
